CALL FOR SUBMISSION OF LIVING LEGENDS NAMES

The Department of Sport, Arts and Culture is currently embarking on a process to resuscitate the Living Legends Legacy Project (LLLP). Part of this initiative involves identification and consolidation of a comprehensive list/database of living legends across the Free State province.

The Department strongly believe that these Living Human Treasures still have a lot to offer to the Cultural and Creative sector, particularly the development of the young and emerging practitioners. It is against this background that Free State communities in general and art practitioners in particular, are called upon to identify and submit names and details of Living Legends in their communities.

This is an urgent task that must be attended to immediately. Some of these some of these Legends need to be considered to benefit from various Relief initiatives by the Department during this period of Covid-19. The identified Living Legends should be 60 years old and above and should have been or continue to be involved on the following Cultural sectors:

- 1) Poetry,
- 2) Drama,
- 3) Music,
- 4) Storytelling,
- 5) Creative Arts,
- 6) Dance and Choreography, 7) Photography,
- 8) Rituals,
